We place players in a competitive and enjoyable environment, challenging them to make their own decisions.

For our High School Teams:

The Soccer Centre has recently informed us that there are not enough teams in the U15, 16, U17 and U18/19 boys age groups to hold a competitive session at the Rossford Dome. We apologize for this inconvenience.

Please remember securing teams and scheduling indoor games is out of TFA's hands

At TFA, we make sure to fulfil our commitment to both our player and family.

In the past, and before we had access to the Dome, we would set our own schedules against worthy opposition with referees officiating our games. We will be looking to do this again, at both UT's Fetterman Center and the BGSU Field House, so that we can provide an environment for our lads to get a great start on their spring season. We will make sure that every player and team participates in a 'minimum' of 6 games. We will also look into an indoor showcase (11v11) within a reasonable driving distance (approximately two hours) of Toledo.

Again, our apologies for this inconvenience and thank you for your patience while we work through this. As soon as we have further information it will be communicated to you.
