

What Does TFA Stand For?

Our core values of Passion, Integrity, Fun and Enjoyment, Competition, and Respect are vital to the long-term success of our players. TFA is committed to developing these qualities and we strive to grow not only soccer players, but responsible young men on and off the field.

Our Commitment:

We focus on balance, developing The Person and The Player through the game of soccer.

We place players in a competitive and enjoyable environment, challenging them to make their own decisions.

Our Vision:

Every single player is a better person because they compete/competed for TFA.

Our Results:

The player makes better decisions on the field which leads them to make better decisions in life.

SCHNEDIER FIELD UPDATE:

You might have noticed this week an 'improved' Schneider Field? Well, thanks to the efforts from David W and Drew M (parents from our U12R team), they managed to aerate, roll and cut the field. This is all part of a longer-term plan to upgrade both the playing surface and the surroundings to make this a better environment for our players and families.

I'm very excited to finally have this opportunity (this has taken many years and meetings with the City). Over the next few months we will continue to improve the fields, while working with the City of Toledo to make this a better, more improved, long-term home for TFA.

If you are willing to assist David and Drew, please drop Elaine (registrar@tfasoccer.org) an email with your details. In addition, please thank both if you run into them! Also, a big thank you to Matt Y for lining the fields this spring.

To be continued...

All the best to every TFA team, including our very young guys at Nike Cup this weekend. After missing our last tournament due to vertigo, I cannot wait to see all the lads back out on the pitch wearing their TFA kits with pride and playing with the passion that symbolizes The TFA Way.

Safe travels and see you this weekend!

Thank you. ~ Paul

As a reminder, we strive to place our teams and place in the most suitable environment for their development. This remains true for tournaments. When registering for tournaments we can request division placement that we feel best fits each individual team. After those requests are made, however, the assigning of divisions is at the discretion of the tournament staff. Division placement can be affected by several circumstances, such as, the number of teams in an age group, etc. We thank you for your understanding and patience in situations that are beyond our control.

Additionally, every tournament is a very busy weekend for all, but especially for our coaches. As with any tournament there are conflicts, which are always out of our hands. You might find coaches will be at the game right before kick-off or need to leave a game before it's ended due to the very tight schedule. We will have a TFA Coach at every game and they will have information on the necessary team, etc. The great thing is our lads know exactly what to do to prepare themselves both physically and mentally, they will not need a parent/TA overseeing the warm-up if the coach is not yet at the field.

All game schedules and field locations can be found in Team Connect!

Good luck to all our TFA Teams!!
