

## What Does TFA Stand For?

Our core values of Passion, Integrity, Fun and Enjoyment, Competition, and Respect are vital to the long-term success of our players. TFA is committed to developing these qualities and we strive to grow not only soccer players, but responsible young men on and off the field.

## Our Commitment:

We focus on balance, developing The Person and The Player through the game of soccer.

We place players in a competitive and enjoyable environment, challenging them to make their own decisions.

## Our Vision:

Every single player is a better person because they compete/competed for TFA.

## Our Results:

The player makes better decisions on the field which leads them to make better decisions in life.

A couple of additional reminders:

1. Players should attend their team's two mandatory trainings unless there is an excused absence (excused absences include illness/injury, important family events, religious events or school functions, not including other sports events/teams). For absences to be excused, players/parents must contact their Head Coach as soon as they have confirmation of missing a mandatory TFA event.
2. We also strongly recommend and encourage our players to attend the two optional trainings, these are varying themed scrimmages that brings TFA practice to game ratio to a healthy 4 to 1. Youngers get to mix and play with older players and our older players are given responsibilities to show their leadership qualities.
3. GK training is also strongly recommended for any goalkeeper who will participate for any minutes during league or tournament games.
