

## What Does TFA Stand For?

Our core values of Passion, Integrity, Fun and Enjoyment, Competition, and Respect are vital to the long-term success of our players. TFA is committed to developing these qualities and we strive to grow not only soccer players, but responsible young men on and off the field.

## Our Commitment:

We focus on balance, developing The Person and The Player through the game of soccer.

We place players in a competitive and enjoyable environment, challenging them to make their own decisions.

## Our Vision:

Every single player is a better person because they compete/competed for TFA.

## Our Results:

The player makes better decisions on the field which leads them to make better decisions in life.

## COACHES' REFLECTIONS:

I hope you're all enjoying the coaches *reflections* on various items, including our Mission Statement at TFA. These give a snapshot into your head coaches thoughts and what it means to them personally. We are still sending team recaps that evaluates what's happening in training and games. We hope you continue to enjoy these touchpoints from your coaches and staff.

My 'fun' reflection:

My thoughts when writing TFA's Mission Statement, especially why 'Fun and Enjoyment' is placed in the middle of our Core Values (Passion, Integrity, *Fun and Enjoyment*, Competition, Respect), is simply, this should be a central core to everything we offer within the Club.

My philosophy as a coach was if you are enjoying yourself, you will listen to what is being coached. If you are having fun, learning and absorbing the game, you will have success, both individually and collectively as a team. Before every game that I remember my last words to my players were "go and enjoy yourself."

Have a great week and enjoy this gorgeous weather! ~ Paul Holdgate

## TOPSOCCER - SOCCER SUNDAY (SEPTEMBER 8):

Just a reminder that TOPSoccer will take place this Sunday, September 22 at the Maumee Soccer Center!

The 2019-2020 season of Toledo TOPSoccer is off to a fantastic start and we cannot thank you enough for your support of this amazing program. All our Teammates and Coaches have done a phenomenal job of working through the soccer exercises with our participants and, more importantly, enjoying the game of

soccer with new friends. **Please remember that we cannot do this without the help of our TFA players and families.** It is your willingness to volunteer and partner with our participants that allows them to enjoy the game we all love so much. Again, thank you to the players for giving back to the game and to parents for taking the time out of busy schedules to bring the players out!
