

What Does TFA Stand For?

Our core values of Passion, Integrity, Fun and Enjoyment, Competition, and Respect are vital to the long-term success of our players. TFA is committed to developing these qualities and we strive to grow not only soccer players, but responsible young men on and off the field.

Our Commitment:

We focus on balance, developing The Person and The Player through the game of soccer.

We place players in a competitive and enjoyable environment, challenging them to make their own decisions.

Our Vision:

Every single player is a better person because they compete/competed for TFA.

Our Results:

The player makes better decisions on the field which leads them to make better decisions in life.
